SCHOOL CONTRIBUTIONS AND CHARGES 2027

Dear Parents and Carers,

School Contributions and Charges
The School Board has endorsed the schedule of contributions and charges for 2027. The schedule is broken into three sections and will allow you to calculate maximum costs that may be incurred throughout the school year.

1. CONTRIBUTIONS

The amount of money parents are being asked to contribute has been set within the School Education Regulations 2000 where a maximum of $60 per student can be charged. Beachlands Primary School asks for $50 which is below this maximum.

In 2027, this money will be used to provide opportunities for your child and supplement school expenditure in the following areas:

- Swimming Lessons
- Excursions/Incursions
- Extra Curricula Activities

Please note: Families who have not paid their voluntary contributions may be asked to pay for these events.

While contributions are voluntary, the School Board requests support from all parents to supplement the funding gained from other sources including the State and Commonwealth Governments. Your contribution will assist the teaching and learning programs across the school.

2. CHARGES FOR ADDITIONAL COSTS

A breakdown of estimated **charges** for your child's participation in additional classroom activities etc, for 2027 has been included in the schedule below. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the maximum charged for scheduled activities in 2027. As in the past, you will be asked to make payment for each activity as it approaches.

3. ITEMS FOR PERSONAL USE IN THE EDUCATIONAL PROGRAM
