Dear Helen

I am pleased to advise that the Public School Review of Beachlands Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe of return for your next Public School Review has been determined as 3 years. You will receive formal notification in the 2 terms leading up to your school's scheduled review. This notification will be provided in 2026.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

While Beachlands Primary School has, for some time, been recognised as a highly culturally responsive environment, I am advised that a new layer of academic rigour has been applied by leaders and staff.

It is highly pleasing to see that these efforts have culminated in recent award-winning recognition for the school as a culturally responsive environment, as well as the achievement of outstanding results in the 2023 NAPLAN. This is a wonderful affirmation for your staff and community, rewarding their shared vision and commitment to the students.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely

Melesha Sands
